

Quality Hardware,  
Powerful Performance

**tellica**<sup>615</sup>®<sub>815</sub>  
PREMIUM HARDWARE SOLUTION

PRODUCT CATALOGUE

## *About us.*

We are a trusted name in the world of premium architectural hardware, offering a wide range of high-quality products including Mortice Handles, Pull Handles, Concealed Handles, Cabinet Handles, Aldrops, Tower Bolts, Locks, and Accessories.

With a strong commitment to innovation, durability, and design excellence, we bring products that perfectly blend style with strength. Our hardware solutions are crafted using top-grade materials like stainless steel and advanced manufacturing techniques to ensure long-lasting performance and superior finish.

We believe that every detail matters. That's why our products are designed to enhance the look, feel, and security of residential as well as commercial spaces. From modern interiors to classic designs, our collection caters to every need.

### **Our Mission**

To deliver reliable and stylish hardware solutions that elevate spaces with quality and innovation.

### **Our Vision**

To become a leading brand in architectural hardware by setting new standards in design and performance.

High-Quality Stainless Steel Material – Made from SS (often SS202 or Ss304), providing strong durability and long life.

Strong & Secure Locking – Thick rod design (around 9–12 mm) ensures firm locking and better door security.

Rust & Corrosion Resistant – Stainless steel construction prevents rust even in moisture or outdoor conditions.
